Terror has a new face.

WITHER'S LEGACY SYNOPSIS: After destroying Elizabeth Wither, the leader of a murderous coven of witches, Wendy Ward thought the ancient evil was defeated. She was wrong. Wither cursed Wendy and now the young Wiccan must use her supernatural gifts to defeat a seven-foot-tall monster with razor-sharp teeth and a taste for human flesh.

"Books by John Passarella make it very difficult to sleep at night. If you have an overactive imagination, you may never sleep again! This one will chill you to the very marrow of your bones. Excellent!" —**Huntress Reviews**

"WITHER'S LEGACY is rousing good edge-of-the-seat fun but its strengths and tensions go beyond that... you'll care about everybody involved, so it's as though you're all in this doomed platoon together walking straight into enemy fire. You know you're gonna lose somebody—the odds say you've got to—and you hate to know just who."
—**Jack Ketchum**, Bram Stoker Award-Winning Author

"Passarella has already won a Stoker [Award] for the first Wendy Ward story (WITHER) and I'm sure this one will be on the short list as well. [WITHER'S LEGACY] is a well written story with completely believable characters and plenty of excitement and action."

Don't trust what you know.

WITHER'S RAIN SYNOPSIS: When the ancient, demonic entity once known as Elizabeth Wither finds a human host, a new reign of terror begins in the town of Windale, Massachusetts. Now Wendy Ward, a college student with a gift for white magic, stands alone against the evil of Wither's rain.

"WITHER'S RAIN crept up on me like an eerie mist. I've been reading and writing horror too long to expect to be scared. But I was—very scared. Delightful!"
—**Whitley Strieber**, The #1 *New York Times* Bestselling Author

"Thrilling, chilling, and utterly impossible to put down, WITHER'S RAIN will haunt you long after its final page. John Passarella shines with the brightest stars in the horror novel galaxy. He's an author to watch!" —**Maggie Shayne**, *New York Times* Bestselling Author

"An illuminating education into Wicca... sophisticated writing, with beautifully-crafted plots, characters to adore, characters to fear and a residual nightmare or two."
—**The Joe Bob Briggs Report**

Bram Stoker Award Winner
Pocket Books
ISBN 0-671-02481-7 \$7.99

WITHER SYNOPSIS: Late in the Seventeenth Century, a coven of witches terrorized the small New England town of Windale. Three hundred years later the evil force has reawakened to begin a new cycle. Now Wendy Ward, a college freshman and practicing white witch, Karen Glazer, a pregnant professor and Abby MacNeil, an abused eight-year-old girl must find a way to survive the reborn coven and the monstrous horror that is Wither.

"Mighty creepy... Read this chilling book now... frighteningly good." —**Seventeen**

"A lot of fun. [WITHER] hits the groove that makes TV's *Buffy the Vampire Slayer* such a kick." —**San Fran Chronicle**

"Stephen King fans will love this one." —**Critic's Choice**

"WITHER is an unforgettable story of witchcraft and suspense. Passarella writes page-turning blockbusters." —**Douglas Clegg**, Bram Stoker Award-Winning Author

"Terrifying and hair-raising... a climax that leaves you breathless." —**Clive Cussler**
